themselves,
their past and their future”*

Dear Supporter,

“Le Pavillon” Information and Giving pack

Firstly, we would like to thank you if you have supported Marc & Debbie SMALLEY over the past years as they serve the Lord in France. Their support and commendation continues through Ballingham Chapel in Herefordshire. We pray that you will feel able to continue serving the Lord in supporting them.

Within this envelope you have information about the ‘**Le Pavillon**’ project through which the Smalley’s are serving. All necessary forms are also included to enable you to make a gift or pledge a regular financial contribution to the project. **Please send your filled in forms to Andy Piper at the above address who coordinates the project for the UK.**

Over the next 3 years a large renovation programme will be undertaken to transform a farm into a Retreat Centre ready to welcome individuals and groups. Your response today will help us to plan and budget more effectively for the work stages ahead.

You may be unfamiliar with the Christian support group ‘**Stewardship Services**’. Please find enclosed a leaflet which explains about making your Christian giving ‘tax-efficient’ if you currently pay income tax.

Above all, we would value your continued prayer support for all that the Lord is preparing and accomplishing at ‘**Le Pavillon**’. Please make contact with us to receive our prayer news so that you might pray in a more informed way.

We know that the Lord will richly bless those that bless others – and our reward will be great as we share together in ‘**Le Pavillon**’ project in France.

With Christian love
